Be Red Cross Ready

Neighbors helping neighbors

- Meet with your neighbors to plan how the neighborhood could work together after a disaster until help arrives.
- If you're a member of a neighborhood organization such as a home association or crime watch group, introduce disaster preparedness as a new activity.
- Know your neighbors' medical and technical skills and consider how you could help neighbors who have special needs such as older adults and persons with disabilities.
- Make plans for child care in case parents can't get home.
